

Awkward Christmas Questions

And how to react to them

What does a perfect Christmas look like?

Obviously the reality can sometimes be different!

- Is there anything you DON'T LIKE about Christmas?
- What can sometimes go wrong?

Let's watch :D

Have you ever experienced anything like that?

- What are some awkward questions family likes to ask at Christmas?
- Have you ever been asked them? Or are you expecting any this year?
- How did you / could you respond to these questions?

Have you gained weight??

Yeah, it's all part of my holiday survival strategy — extra padding for warmth!

I'm happy the way I am, thanks for noticing!

Haha, speaking of food, have you tried Aunt Carol's pie? It's incredible!

Why do you ask?

Wow! I was going to ask the same thing!

So... are you seeing anyone special yet?

Oh yes, I see someone special every morning — in the mirror. 😎

I'm focused on loving myself right now, and it's going great, thanks for asking!

No one as special as you, Aunt Linda! So, tell me, how did you and Uncle Bob meet?

Sadly, my dog/cat hasn't approved of anyone yet.

When are you going to get married?

Don't worry, you'll be the first to know!

When are YOU going to stop asking me this question?

Don't worry, I'll send you an invite when it happens!

Great question — so, how's YOUR marriage these days?

I'm waiting for Ryan Reynolds to return my calls.

When are you going to have children? You're not getting any younger!

Wow, I didn't realize I had a deadline! Let me check my calendar and get back to you.

That's a big decision, and I'm happy taking my time with it.

Haha, well, I'm currently raising a plant, and it's still touch and go!

When I have any news to share, I'll definitely let you know.

When are you going to get a 'real' job?

I wish I could tell you but I don't want to jinx it.

Actually, I'm proud of what I'm doing right now. It's working well for me.

I'm waiting for Hollywood to call me back. Any day now, I swear.

I'm working undercover for the CIA, but I'm not allowed to talk about it.

Wow, big career talk over Christmas dinner, huh? I was just here for the pie.

Your Turn!

You can use these comebacks or try to come up with even better ones!

Merry Christmas!
